Shots on Goal: Fernet-Branca x FIFA World Cup 2026

A Fernet-Branca campaign featuring **Alex** and **Drew** of **The Chainsmokers**.

Hot Ones-style showdown. Real chemistry, no script.

Just chaos.

Why You Two

Campaign Fit

The Chainsmokers are one of music's most fun-loving duos.

Personality-First Artists

Authentic, funny, and built for unscripted content.

Built-In Dynamic

A real friendship fans already root for.

This works because it's you — not actors, not a script.

The Opportunity

Most campaigns ask a lot and give little back. This one is built to respect your time and feel worth sharing.

Low Lift

No travel, no full-day shoot, no wardrobe call.

High Reach

Short-form, social-first, and built to spread.

On-Brand

Loose, funny, and unfiltered.

👉 One of those rare campaigns that *doesn't feel like a campaign.*

The Idea

A Hot Ones-style game: personal questions, wrong answers, Fernet consequences.

01

Stump Each Other

Ask only-you-two questions as well as a few soccer questions.

02

Wrong Answer = Penalty

Take a Fernet shot and beer chaser.

03

First to 3 Shots Loses

Simple score. Maximum chaos.

Simple. Competitive. Chaotic.

Why It Works For You

This isn't built around a brand brief — it's built around how you two actually interact. It feels effortless because it is.

Feels Like Your Real Dynamic

No forced acting. Just the banter fans already know.

Fits Energy

High-energy, fun, and right on moment.

Exclusive Access for "The Pack"

Gives fans a real window into your friendship.

Room to Riff

The best moments will be improvised.

You control the tone. We just capture it.

Execution Built Around Your Schedule

No logistics maze. No full-day commitment. Just a tight crew, one location, and room to let things get weird.

One Location

Bar, green room, or studio hang. We come to you. We can also reformat for a virtual, FaceTime-style conversation.

Minimal Crew, Fast Turnaround

In and out in 2–2.5 hours max. If virtual, then 90 minutes max.

Loose Structure, Mostly Improv

A light framework, then we get out of the way.

👉 **We set it up, then let it spiral.**

Where It Lives

Your Socials

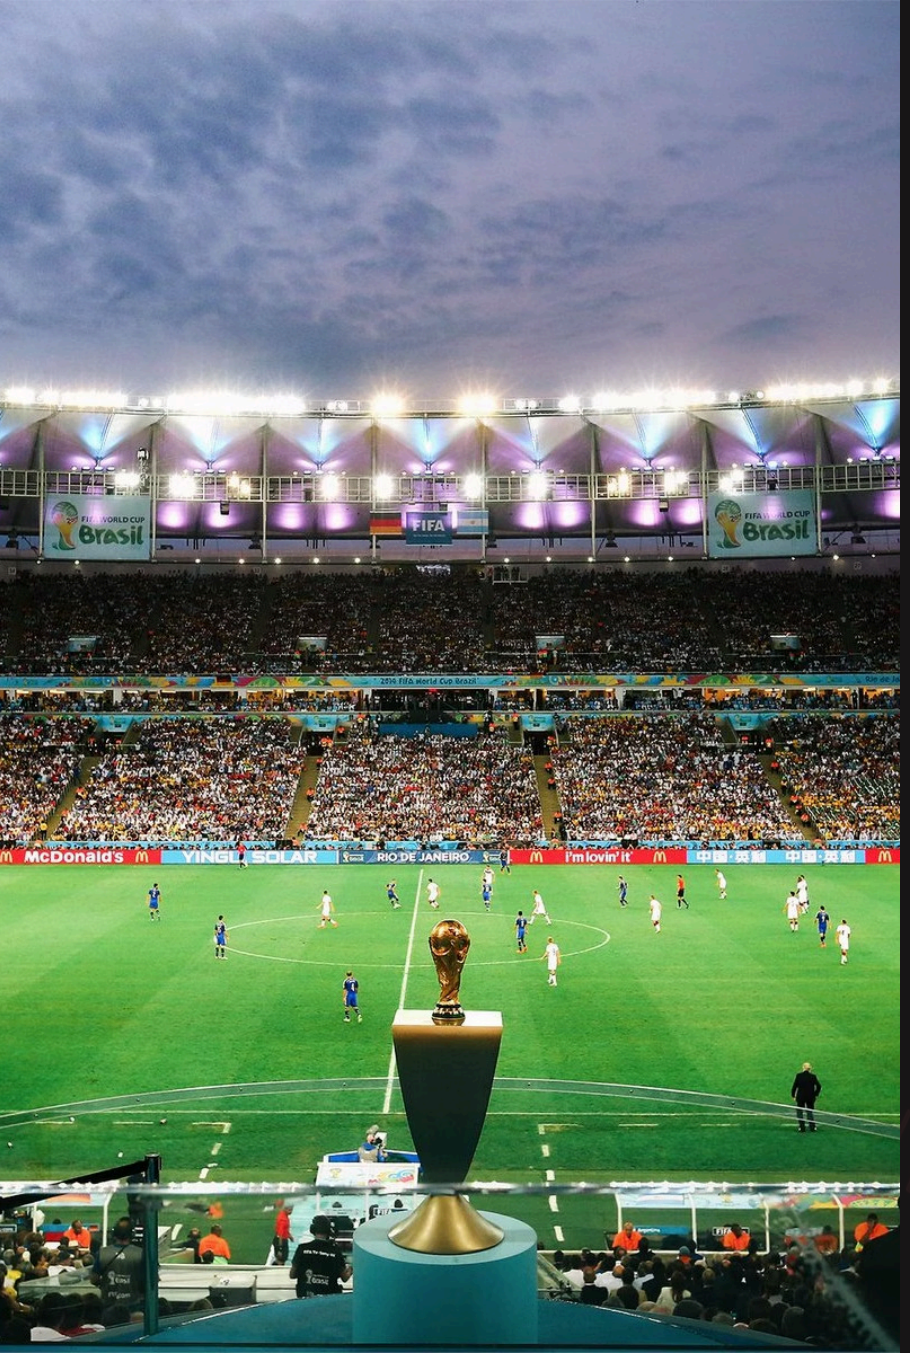
Primary distribution through your audience.

Fernet Channels

Amplification across Fernet-Branca's owned platforms.

Paid Amplification

Targeted spend to extend reach.



World Cup Tie-In

A Light Touch — Never Forced

The World Cup is a natural cultural hook during the campaign window. Keep it organic — just the kind of banter two mates on tour would have.

🏆 Teams You're Backing

Who's your pick? Fans love the trash talk.

🌍 Tour vs. Tournament Chaos

Festivals and football at once is content gold.

Optional, natural — not scripted. If it comes up, great. If not, the game stands alone.

BRAND INTEGRATION

Fernet Isn't the Focus — It's Part of the Game

The strongest brand integrations feel invisible. Fernet-Branca earns its place through the game mechanics, not a logo or a sales pitch.

- **Penalty moment.** Earned, not inserted.
- **No product talk.** The bottle appears because the game demands it.
- **No scripting.** Just the shot and the reaction.

It lives inside the moment — not on top of it.

What We Need From You

That's it. We've made this as low-friction as possible. Here's the ask:

Minutes Max

From first question to last shot.

0

Travel Required
